

Lornice Parker

Orlando, FL, 32765 | lornice.parker@gmail.com | (954) 243-8962 | www.linkedin.com/in/lornice

RESEARCH INTERESTS

Secondary transition planning for students with disabilities, technology integration in transition-focused IEPs, assistive and instructional technology, career readiness, postsecondary outcomes, and evidence-based practices that promote independence and successful adult transitions.

EDUCATION

University of Central Florida

Education PhD in Exceptional Education

GPA: 3.9

Orlando, FL

Graduation Date: Dec 2028

Master of Arts in Career and Workforce Education

GPA: 3.9

Graduation Date: Dec 2024

Bachelor of General Studies

GPA: 3.5

Graduation Date: May 2022

Broward College

Associate of Arts (Dual Enrollment)

GPA: 3.21

Pembroke Pines, FL

Graduation Date: May 2018

RESEARCH EXPERIENCE

- **Principal Investigator**
Digital Tools and Secondary Transition Planning: An Evaluation of Technology Integration within Individualized Education Programs for Students with Disabilities - designed and conducted a document analysis examining instructional and assistive technology integration within secondary transition-focused IEPs; same study underlies the DCDT poster above
- **Research Collaborator**
Served as a data reviewer for a doctoral dissertation study, coding and evaluating video data using the project's established observational scale
- **Research Assistant - Apple Pilot Study** University of Central Florida
Conducted participant interviews and survey data collection with students in the Inclusive Education Services (IES) program to evaluate technology implementation
- **Research Assistant - Driving Simulation Study** University of Central Florida
Assisted with data collection and research activities supporting a driving simulation study involving students in the IES program
- **Manuscript Collaborator** Florida State University TP-3 Grant
Collaborated on qualitative data analysis, literature synthesis, and manuscript development for the two "Enabling Education" manuscripts above

CONFERENCE PRESENTATIONS & POSTERS

Barker, R. & Parker, L. Designing Autonomy-Supportive Transition Environments: Evidence from a Montessori-Inspired Apartment Program in an Inclusive Public Charter School. Poster accepted for presentation at the Division on Career Development and Transition (DCDT) Conference, October 2026.

Parker, L. & Martinez, K. A Systematic Review of the Literature on Transitional Services for Secondary Learners. Poster presented at the Council for Exceptional Children (CEC) Conference, March 2026.

TEACHING EXPERIENCE

UCP Bailes Community Academy - *Middle School Special Education* Jan 2025 — Present

- Deliver both standard and modified curriculum pathways (Access Points) using project-based learning and the integration of art and technology
- Participate actively on the IEP team, draft IEP goals, collect behavioral/academic data, and maintain student portfolios to track progress.
- Lead classroom teams in the creation and implementation of Functional Behavior Assessments (FBAs), Behavior Intervention Plans (BIPs), and crisis/de-escalation plans.
- Communicate clearly with families regarding student progress and actively involve parents in planning strategies for their child's development.
- Provide basic caregiving duties (e.g., feeding, changing, and toileting) depending on the age group and specific needs of the students.

UCP Bailes Community Academy - *Middle School Math* July 2023 — May 2025

- Design and implement differentiated instruction to meet diverse student needs, including supplemental and remedial strategies.
- Utilize data-driven Response to Intervention (RTI) practices to monitor and enhance student performance.
- Collaborate with multidisciplinary teams to develop Individualized Education Programs (IEPs) and track progress.
- Apply innovative teaching methods to foster an engaging and inclusive learning environment.

UCP Bailes Community Academy - *Paraprofessional* July 2022 — July 2023

- Supported classroom management and created a climate conducive to learning and inclusion for all students.
- Acted as classroom lead in teacher's absence, managing lesson plans and guiding classroom staff.

- Coordinated with therapists and special service providers to integrate therapy into classroom activities.
- Collected and analyzed behavioral and performance data to inform instructional strategies.

Kelly Services - Substitute Teacher

Jan 2022 – July 2022

- Delivered effective instruction by adhering to established lesson plans and maintaining classroom continuity.
- Fostered a positive learning environment using proactive behavior management techniques.
- Maintained accurate records of assignments, attendance, and student progress.
- Adapted to a variety of educational settings, ensuring students' academic and social needs were met.

CERTIFICATIONS

-
- FTCE Mathematics 5-9 Certification
 - Exceptional Student Education Certification

SERVICE & PROFESSIONAL AFFILIATION

-
- | | |
|--|-----------------------|
| • Council for Exceptional Children (CEC) - Member | March 2026 - Present |
| • Division on Career Development and Transition (DCDT) - Member | March 2026 - Present |
| • Teacher Education Division (TED) - Member | Nov 2025 - Present |
| • Down Syndrome Foundation of Florida (DSFF) - iCan Learn Program | Aug 2025 - Present |
| ○ Present career and college readiness workshops for students with Down syndrome and their families through the Down Syndrome Foundation of Florida (DSFF), translating research-based transition practices into accessible community training | |
| • Alpha Kappa Psi Business Fraternity, Active Alumni Member | Spring 2020 – Present |

HONORS & AWARDS

-
- City of West Park Scholarship
 - Costas G. Lemonopoulos Scholarship
 - Top 10 Knights Honoree
 - Valedictorian, Hallandale High School

SKILLS

-
- **Quantitative methods:** SPSS (ANOVA, repeated-measures/mixed designs), G*Power, survey/instrument design and reliability analysis
 - **Research data management:** Excel-based coding systems, inter-rater reliability tracking
 - Microsoft Word, PowerPoint, Adobe Photoshop
